WHY SCOUTING?

"Scout parents are engaged with their children; not just cheering from the sidelines." — Cindy B., Scout Mom

Because a boy's childhood is short, Scouting offers a family the opportunity to actively share in his development into a successful adult.

FUN, FAMILY AND FRIENDS

"I like having fun with my friends and the activities we do each week." — Morgan T., Cub Scout

Boys join Scouting because it is fun. Parents love it, because of how it benefits their son and the time they get to spend with him. Scouting teaches leadership and character. It builds confidence and social skills. It teaches the value of service and citizenship. And it allows the whole family to do things together.

HOW DOES CUB SCOUTING WORK?

Cub Scout activities include team building games, sports, hands-on projects, S.T.E.M. education activities, and camping adventures. These activities help a boy learn valuable life lessons as he matures. Scouts meet 3 to 4 times a month with a flexible schedule and are grouped by grade.

WHO WILL LEAD MY SCOUT?

The Cub Scout program is led by parents just like you! All parents actively participate in supporting and developing their sons. Some parents are direct leaders, while others take support roles with shorter time commitments. Serving as a leader is fun and there are over 10,000 registered adult Scout leaders in Orange County who are happy to help make sure you have an exciting and rewarding experience.
