“Preparing Our Children for Their Tomorrows”

Hello Falcon Families,

June 11, 2017

It's been a great year! As the school year comes to a close, our minds and hearts are filled to the brim. Together we've learned much and shared experiences that will long remain with us in the years to come. The strength of our community and wholehearted passion to make our school a wonderful place of learning for our students makes Fanning truly a special place. Special thanks to our parents who have contributed in ways small, large, and unimaginable! I would like to thank our hard working and caring staff members who have made an everlasting difference to the lives of our students. Their commitment is outstanding and our kids are the beneficiaries. Thank you to our PTA for providing rich and engaging, well-rounded experiences for our kids and knowing that education is about joy, wonder and fostering curiosity, along with the development of social skills so needed to succeed. For these, and a million other things, I am truly grateful. In closing, I take this opportunity to congratulate all our 6th grade students as they venture into junior high, you will always be a Falcon! I wish you all a very happy, safe and enjoyable summer!
