"Preparing Children for Their Tomorrows"

Hello Fanning Families,

May 13, 2018

Happy Mother's Day! I hope you were able to celebrate the special people in your family on this special day. This past week was so special by how students made our teachers and staff feel appreciated. All it takes is a simple thank you or a hug to show appreciation but our students all went above and beyond! A special thank you to the PTA hospitality team, Mrs. Nethers and Mrs. Nguyen for making this week memorable and so much fun! We appreciate you

Our students in grades 3-6 will be taking the CAASPP Test in their classes in the next two weeks. Teachers and students have been working hard to prepare for the CAT (Computer Adaptive Test) and the Performance Task portions of the CAASPP test. They are ready!

What can parents/guardians do to support their student?

- Encourage them to do their best every testing days
- Ensure that they get a good night's rest
- Provide a healthy breakfast
- Arrive to school on time and schedule all appointments after the testing weeks.
